CONDITIONS OF USE

Nature of your activity: your activities must be compatible with the values and vision of the Gathering Place and Simply Mindful. In the booking form we ask for information about the nature of your activity so that we ensure that the Gathering Place remains a place of peace, learning and healing.

Others may be in the Gathering Place too: When you hire a room in the Gathering Place, you accept that others may be using rooms you haven't booked. So you may have to tolerate others using the kitchen and toilets. We attempt to arrange bookings to minimise disturbance, but to guarantee exclusive use of the Gathering Place you will need to book the whole premises. There is a surcharge for exclusive use.

Insurance: To hire any spaces at the Gathering Place including accommodation you need to have your own public liability insurance. Please submit a copy of this insurance with your booking.

Cleaning: Please leave the building and grounds clean and tidy and put everything you used back where it came from. There is a vacuum cleaner in a cupboard in the corridor between the kitchen and staircase. There are bathroom cleaning products in the cupboard next to the showers and kitchen cleaning items under the kitchen sink. If you have chosen to clean after your use, for a reduced fee, we may still charge an additional cleaning fee if you haven't cleaned well enough.

Do not remove any of the equipment belonging to the Gathering Place from the Gathering Place.

Damage, accidents and injuries: By signing this agreement, you are agreeing to make full restitution of any damage to the building, grounds and equipment at the Gathering Place, unless this is waived in writing by the Director of Simply Mindful. If any damage or an accident or incident occurs during your time at the Gathering Place you must notify Simply Mindful as soon as practicable in writing. You must also notify Simply Mindful immediately of any accident or injury to any person while conducting activities under this agreement.

Lorraine and the Gatehouse: You may see sister Lorraine Gatehouse in or around the Gathering place. Whilst she continues to live next to the Gathering Place and has access to it, she is not able to assist in emergencies. Please understand that Lorraine, now over 80, has stepped back from her responsibilities at the Gathering Place. If you have any concerns during your stay at the Gathering Place please contact Simply Mindful.

Kitchen: You may use the kitchen and dining room to serve refreshments. If you use it to prepare and serve meals, there is an extra cleaning fee unless your group cleans the kitchen properly after use.

Drugs: We don't allow recreational drugs in the building. This includes tobacco. No smoking in the building or in the gardens.

Decorations and signs: Don't damage the Gathering Place. Nothing on walls or doors such as pins, BluTak, sticky tape. To put a notice or a sign in the grounds outside the building, please consult Simply Mindful first.

Payment: We will email you an invoice. To confirm your booking of each event or series of sessions we need a 50% deposit. We prefer direct transfer as it is the cheapest and easiest method, but cheque, cash or credit card are possible.

Duration: You need to pay for the entire time you use the premises, so when specifying start and end time, allow enough time to set up and clean up.

Access: After you've confirmed your booking, we will arrange a key to the front door. There is a \$50 non-refundable key deposit. When you return the key we refund the \$50 deposit. If we have given you instructions to the lock box, please place the key back inside the lock box when you leave and text us on: 0490 354 900 to let us know you are leaving.

Security and safety: You must ensure that people attending your event behave safely. When you leave, you must turn off heaters, air conditioners and other appliances and lock all doors and windows. There are lots of doors leading into the garden – please check that all of them are locked. It is also important to lock the front door once all of your group have arrived. Your group and its leaders are responsible for ensuring the safety and wellbeing of all participants whilst using the premises and informing participants of the evacuation and fire safety plans, exits and conditions of hire.

Indemnities and Releases: You (the Hirer) agree to use the Facilities and Equipment at your own risk. Simply Mindful does not warrant that the Facilities and Equipment are now or will remain suitable for the purposes of the Hirer and it is up to the Hirer to satisfy themselves that the Facilities and/or Equipment are fit for the purpose the Hirer wishes to put them to.
